

WALK OF FAME

PAVER CAMPAIGN

The Texas Horse Racing Hall of Fame would like to extend a chance to commemorate past and present stakes race winners in Texas. We're kicking off a paver stone project we've dubbed "The Walk of Fame" to honor past and present stakes race winners that are owned, bred, raced, or standing in Texas. Owners and trainers can put their name on a piece of real estate at Retama Park Race Track in Selma, Texas and become a living part of the rich history of horse racing in Texas.
